### A/C unit needed at last minute

I has been doing a good job over these hot summer days. Low noise and reliable. Hope I don't have to use the warranty!

Jay

Verified purchase

### Excellent product

Efficient. No more hot days in my home.

Neil

Verified purchase

### Happiness is a contented, cool, Wife!

It works so well

Glen

Verified purchase

### Works Great

Works great, was hoping for it to be "quieter" but I understand that this is not a marketed feature for this product. I mainly selected it because it is "narrow" and allows more space beside the house.

Mohammad

Verified purchase

### Air conditioner

Have not experienced a problem with this product.
