

PASS & SEYMOUR®

NIGHT LIGHT DEVICES

# LIGHT UP THE NIGHT

designed to be better.™

# MORE PRODUCTS. MORE LIGHT LEVELS. MORE OPPORTUNITIES.

From tamper-resistant to touch-control to GFCI combos, we now offer a full line of Night Light devices designed to meet the demands of every end user and installer. So, whether your customers are looking to install extra nighttime convenience, control, safety — or all three — make sure you make it a P&S Night Light solution from Legrand.

5 Adjustable Light Settings with Soft Glow energy-efficient LEDs

## Duplex Night Light Receptacle with Adjustable Light Control

Install a new level of control with the Pass & Seymour Night Light Receptacle. Featuring five adjustable light settings, it's a great way to add a touch of safety without losing an outlet.

- 5 adjustable light settings including OFF
- Two tamper-resistant outlets — an industry exclusive
- Hidden sensor automatically controls night light
- Replaces any standard receptacle
- Optional louver included for additional light-level options
