1000's Sold
Worldwide!

Model MK-33 Single Lever Mini Paddle

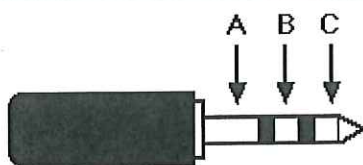

- Ultra portable, lightweight, and efficient design is ideal for QRP and portable CW operating!
- Overall Size: 2.0 X 2.4 X 1.5 Inches
- Weighs only 1.3 ounces. Remarkable!
- Plug & Play Design: 3.5 mm stereo jack for an easy, convenient, and secure connection to your rig. Nothing to hook up.
- Contacts: Two metal posts with a screw head and cap nut in the center of the paddle. Simple, yet has a good "feel".
- A nice, simple, low cost single lever keyer paddle that is easy and very fun to use!

Model MK-44 Iambic Mini Paddle

- Ultra portable, lightweight, and efficient design is ideal for QRP and portable CW operating!
- Overall Size: 2.0 X 2.4 X 1.5 Inches
- Weighs only 1.2 ounces. Incredible!
- Plug & Play Design: 3.5 mm stereo jack for an easy, convenient, and secure connection to your rig. Nothing to hook up.
- Contacts: Metal center ground post with a stainless steel panhead (flat) screw on each paddle. It's simple, yet has a good "feel".
- A nice, basic, low cost, highly portable iambic paddle that is easy and fun to use!

Money Back
Guarantee

All our products carry a 30 Day Money Back Guarantee. Simply return the item for a full, prompt, and courteous refund. No questions asked. Your satisfaction is guaranteed.

MAINTENANCE NOTE: When necessary, you may easily clean the contacts by simply swiping them with fine grade sand paper. Just two or three swipes across each contact is all that is required for reliable, clean contact keying.
